Meet your new Trustee

Dear Members

To all of you who took the time to participate in the election process, thank you!

The results have been audited, and we are pleased to announce the following pensioner-elected representative who will serve on the Board of the Transnet Second Defined Benefit Fund (TSDBF) for the next five years:

Sanette Naude
Qualified Registered Financial Planner

Having been a member of the Fund for 38 years gives Sanette insight into its operations and the concerns of beneficiaries.

Sanette has extensive experience in portfolio and project management, financial product technical support, and resolving financial/operational challenges.

She has the skills needed for ensuring compliance, avoiding conflicts of interest, maintaining transparency, and managing administrative/control systems.

She is comfortable liaising with members, beneficiaries, and service providers, and is able to explain complex financial concepts.

The Board is looking forward to her valuable input, and we wish her all the best for her term of office.
